

'round town

with Betty Allen...

Well, this is a busy day for lots of people. Beautiful girls have been waking up early today in order to be "queen of the May"; small fry have been hanging May baskets on door handles; that element of the male population interested in sartorial matters has been trying on straw hats in front of the mirror; and the people who live for the opening of the fishing season woke this morning with a glint in their eyes and a spring in their steps.

Heard a rumor that the Gay Nighters, an organization of folk dancers composed of all the San Jose adult education folk dancing classes, may have their next monthly festival in Campbell.

Through the advertising department of the paper I hear a lot of business woes. It seems as though each particular business has a lot of problems peculiar to it and practically insoluble, too! Right now, however, my sympathies lie with Bill Henley, superintendent of the Grammar school. The problems connected with his necessary double sessions next fall would reduce most people to helpless confusion—teachers, buses, complaining parents! And to top it all off, he says one of his own children will attend the morning session while the other attends in the afternoon...

Ralph Hyde has been hospitalized for observation following a sudden illness yesterday.

One sure way to find out if people miss things is to omit them. "Looking Back" is in the paper today after a two weeks' absence. Seems it really was missed.

If you can spare the time on Saturdays you should go down to the high school baseball field to root for your favorite team. Art Tindall deserves a good crowd for his snappy teams. Incidentally, he's putting in a lot of time and energy voluntarily to get a recreation program started.

Something else you shouldn't miss is the first cadet review at the high school grounds tomorrow at 1 p.m. The boys have been drilling for a long time and are expected to put on a good show.

We are all aware now of the million dollar Community Service hospital drive to furnish one hundred more hospital beds and badly needed equipment for the former San Jose Hospital.

There are many who might ask how this concerns Campbell. It is of real concern. The people of Campbell are indebted to that hospital and its staff. Many of you who read this were born in that institution, and many others have received excellent care there when ill. The hospital has not been able to grow as fast as the communities which it serves and it is now asking for help from the people who need a larger and better hospital—YOU.

No hospital is a paying proposition and the Community Service Hospital is no exception. Therefore, the only way to make this hospital adequate for our needs is through generous contributions.

Soon, you will be asked for a contribution. You are buying protection when you give to this most worthy cause.

Final Rites For Mrs. Gunder

Final tribute was paid today at 2:00 p.m. to the memory of Mrs. Elva Cheney Gunder, who died on Tuesday at her daughter's home on Hamilton Ave. Scene of the funeral rites was the Rutherford Funeral Home on Winchester Road. Interment was in the Los Gatos cemetery.

Mrs. Gunder leaves three daughters, Mrs. Olaf Baird of Good Year Bar, Calif.; Mrs. Ann G. Huber and Mrs. Marian C. Breese, both of Campbell; two sisters, Mrs. Martha C. Blake of Columbia, Missouri, and Mrs. Alona E. Bowey of San Antonio, Texas; and a brother, Rush B. Cheney of Marysville, Ohio.

She was born 82 years ago in Ohio and was a member of the Calvary Methodist church.

Double Session Plans At Campbell School Revealed

A large group of parents attending yesterday's Public School Week program at the Campbell Grammar school heard a surprise announcement from William Henley, principal and superintendent, revealing definite plans for the double sessions next fall.

Annual Poppy Sale May 24

"Help and hope is the meaning of the memorial poppy to those who are paying the human cost of our world war victories," Mrs. Fagalde, rehabilitation chairman of Campbell unit, American Legion auxiliary, stated today as the auxiliary continued preparations for the annual observance of Poppy Day, May 24.

"All the money contributed by those who wear poppies in memory of the war dead goes to aid the families of the dead," she explained. "The dimes, quarters and dollars dropped into the contribution boxes of the volunteer poppy workers are the principal source of support for the continuous rehabilitation and child welfare work of the auxiliary."

"The government does much for the disabled but the government cannot do everything. There are many veterans and veterans' families which do not come within the legal provisions for compensation. There are many others whose compensation is too meager to meet their needs. There are many fields of service into which official agencies cannot reach and there the auxiliary goes with aid made possible by the poppy contributions."

"These are our disabled veterans and dependent families. Their sacrifices were made in our defense. Poppy Day gives us all an opportunity to do something for them ourselves, to help them a little as they pay in suffering and hardships for our war victories. The human cost of war is so unequally divided among us—some paying so bitterly while most of us pay little or nothing. Buying and wearing a poppy shows that we, at least, recognize and are grateful for their sacrifices."

GET MARRIAGE LICENSE

Recently getting a marriage license were Kenneth Jones, 23, and Viola Archey, 23, both of Campbell.

High School Students To Have X-Rays

Free chest X-rays will be taken of Campbell High School students in Freshmen and Junior classes on Wednesday, May 7. Mobile X-ray unit of the Santa Clara County Tuberculosis Association will be stationed at the school throughout the day.

The unit was stationed in downtown Campbell for two days in March in front of the theater, and is scheduled to return to the same location on May 27 to be open to the general public.

It was revealed at association headquarters last week that no cases of tuberculosis were found in school children last year. Largest number of cases discovered through mass chest X-ray schedules were found in the public X-ray clinics throughout the county. Next highest number of cases were found in college students, and third highest was in industrial workers.

The X-ray trailer makes regular rounds of Santa Clara county, and is stationed regularly in San Jose every Monday between 10 and 4 o'clock next to the Civic Auditorium. Service is available to any person, and no appointment is needed.

Although reconciled to the necessity of double sessions due to the expected overload, parents have naturally felt a personal interest in which session their children would attend and many mothers expressed relief at having more definite information.

Henley stressed the fact that many details are not yet worked out but present plans are for the seventh and eighth grade children to continue their regular days from 9 a.m. to 3:30 p.m. as they are doing now. This will apply to all seventh and eighth grade students, even if they are later to attend one of the new schools.

Students from the kindergarten through the sixth grade will be divided on a geographical basis so that all children of a family at these age levels will be in school at the same time.

The three schools, Campbell, Moorpark and San Tomas, will be set up administratively with the school as units so that when one new school is completed that unit may move as a whole to the new school.

Children belonging in the Campbell school area will attend the morning session while those children who will later attend the new schools because of the location of their homes will attend the afternoon sessions.

The morning session is planned from 8 a.m. to 12 noon, while the afternoon session will be from 12:30 to 4:30. Kindergarten hours will probably be from 9 a.m. to 11:30 and from 12:30 to 3:30 p.m.

Henley further stated that by the time school is dismissed for the summer each individual child will have been tentatively placed on his schedule and the parents notified.

This double session will have to continue until the new schools are completed. The school board is hopeful that this will be by December of 1947. Architects' drawings are now completed and actual construction is expected to begin within the near future.

Cancer Drive Almost At Half Way Mark

Leading citizens and medical men endorse the American Cancer Society. M. R. Bookwalter, Santa Clara County chairman, reports to date 45 percent of the \$20,000 quota has been collected. Every thinking citizen is urged to give so that the people of these United States may continue to be healthier. Our program of education, service and research needs your help.

Annual Card Party Set For Saturday Night

What has become one of the most enjoyable annual community affairs will be held this Saturday evening, May 3, in the Campbell High School gym. It's the American Legion Campbell Post's whist party and the proceeds of the affair are for the Legion building fund, accumulating toward construction of the new Legion and community hall.

Chairman Al Carter reports that there will be free refreshments and plenty of prizes ranging from household articles to poultry and livestock.

Co-chairman with Carter is Clarence Fagalde and assisting them are Fred Hoffman, Fred Jones, Jr., John Crawford, Hal Fairchild, Doug Tension, Glen Knowles, Glyn Leach, Wilbur Mitchell, John Smith and Ellsworth Raker.

Elderly Woman Killed In Crash

A head-on collision last night on Moorpark Ave. a quarter of a mile east of Winchester Road resulted in the death of Mrs. Katherine Tiltotson, 82, San Jose. Her son, William Earl Tiltotson, 55, driver of one car, received severe lacerations on his right leg.

Driver of the other vehicle was Audrey Livachic, 62, of Latimer Ave., Campbell. He and his wife, Pauline, are suffering from bruises and shock. All of the persons involved were taken to the County Hospital where Mrs. Tiltotson was pronounced dead on arrival.

Tiltotson told investigating officers that he was blinded by Livachic's headlights and attempted to swerve but the two cars collided astride the white line.

Where To Go; What To See; What To Do

Maytime is playtime—and playtime in California brings everything from top sports events to music festivals. Including county fairs, western rodeos and other specially planned events, vitally recalling the colorful traditions of early California fiestas. The Travel and Recreation committee of the California State Chamber of Commerce reports a stimulating variety scheduled for this first week-end in May.

What's your pleasure? Spectator events, active participation, or just "nosing around?" Smoke out that road map or timetable and plan a trip. You can probably arrange to take in more than one affair if you plan ahead. Reservations for overnight stops are recommended. And don't forget to be extra careful this year—only YOU can prevent forest fires!

New Schools Named

The two new elementary schools to be built in the Campbell school district will be named Moorpark and San Tomas.

A committee composed of Herbert Shadle, W. R. Porter, Miss Dorothy Merriman, Mrs. William P. Pfeiffer, Don Lukehart, Walter Williams and William Henley, submitted the names to the school board who officially o.k'd them Monday evening.

It was the intention of the committee, who selected the two names from among the 25 submitted, to choose names which would be meaningful for all the residents. For this reason they avoided names of people, living or dead, which would have no meaning for the many new residents of the area. It was also felt that the names chosen would help to locate the schools.

Moorpark was chosen because it will be located on Moorpark Ave. and will serve the general area on both sides of this well-known thoroughfare. For the same reason, San Tomas seemed indicative to the committee of the well known road, creek and general area included in the territory this school will serve.

Liquor License Fees Ready For Distribution

Liquor license fee revenues amounting to \$1,630,986.49, representing the half-year period from July 1, 1946, to December 31, 1946, are soon to be distributed between the cities and counties of the state.

In making this announcement, George R. Reilly, member of the board of equalization from the First Equalization District, explained that this sum is one-half of license fees collected for that six-month period, which is the share of the cities and counties of the total amount collected. The state retains the other half, from which is defrayed all costs of licensing, administration and enforcement of the provisions of the Alcoholic Beverage Control Act, and the major portion going into the general fund.

Of this sum Santa Clara County will have returned to its unincorporated area \$10,552.19.

Big Boy Mart Has Gala Re-Opening

The Big Boy Food Mart, formerly the Big Boy Cash and Carry, re-opened today after being closed for remodeling and expansion. The improved market is located on the San Tomas Road between Hacienda and Santa Clara-Los Gatos Road and is owned by Antone and Angie Turturici, who have operated the business for many years.

Enlarged to provide additional space for stock, the re-modeled store now boasts a meat market for the first time. This department will be handled by Ben Turturici, brother of Angie and Antone, who has for the past 12 years driven a Peerless Stage. Included in the new section is the latest in modern meat-handling equipment.

Also new is the delivery service with two deliveries daily throughout the Campbell area. A parking space, ample for 50 cars, has been provided and is equipped with flood lights for the convenience of evening shoppers.

During the opening today baskets of groceries are being given away hourly.

City Mail Delivery To Start Monday, May 5

Ira H. Grim, postmaster, has announced that city delivery will officially begin in Campbell next Monday, May 5, although the new post office is not yet ready for occupancy.

Present quarters are being rearranged to handle the new innovation and three men are being added to the staff.

The two city delivery men will be Harold Adams of Burlingame and William Burch, formerly of Pittsburgh. One of these will be a mounted carrier.

Leo Parks, a Campbell man, is the third addition to the department. He will serve as substitute for the other two and do part-time work in the office. All three new men are veterans of World War II.

Campbell residents who wish to avail themselves of this new "city" service must have the correct house number on their residences and must have a receptacle for the mail. Any questions about the correctness of numbers will be answered at the post office.

City mail delivery and the new post office are added indications of the growth of the Campbell office. According to Grim, the local office issued \$41,300.55 worth of money orders in 1936. During 1946 this figure reached \$251,410.97. Stamp sales in 1936 amounted to \$10,244.98 but almost tripled that amount in 1946, reaching to \$29,012.53.

In addition to the large amount of money orders sold during 1946 the new postal note sales amounted to \$3,994.74.

Train Strikes Car On Highway

Walter McLain Tickner, 40, of 1519 Alice Ave., Oakland, was critically injured when his car was struck by a Southern Pacific train on the San Jose-Los Gatos highway a half mile north of Hamilton Ave. at 6 a.m. this morning.

Tickner was taken to Community Service Hospital where he told investigating officers that the crossing signal was not working as he crossed the tracks.

Remaining schedules: May 10—9 a.m. Campbell Taxi vs. Farley; 10, Jones Service vs. Gilpatrick-Standish; 11, Cambrian Rdw. vs. Hodges Market.

May 17—9, Hodges Mkt. vs. Farley Real Estate; 10, Cambrian vs. Gilpatrick-Standish; 11, Jones vs. Campbell Taxi.

County Observes Demonstration Day May 8

Santa Clara County will celebrate National Home Demonstration Day on Thursday, May 8, at Saratoga from 10 a.m. to 3 p.m.

The speaker will be Miss Flora Rose, former head of the Home Economics department, Cornell university. Her topic is "The Home in a Changing World."

The meeting will be held at the Pothill Club and lunch at the Federated Church. Pitchers of water, and coffee, as well as picnic food should be brought by those attending.

Each car should contain one card table with owner's name on bottom and each woman is asked to bring her own plate, cup, silverware and lunch.

Guests will park cars at the church, leave lunches on their community table, and cross the street to the club for the meeting.

Exhibits will be set up on the floor and explanations of exhibits will be given from the stage.

Young children will be cared for at the nursery school. Reservations must be made in advance. Address Mrs. G. W. Lanphear, 2 Orchard Street, Saratoga.

The two purposes of Home Demonstration Day are: To give recognition to volunteer leaders (group chairman and project leaders); and to acquaint new people with the program.

Muriel Wright Talks To Legion

The joint meeting of the Post and Auxiliary of the American Legion on April 22 was well attended. Members were honored by the presence of Miss Muriel Wright, chief probation officer of the juvenile court, of Santa Clara county, who gave a talk on the activities of the juvenile court. She praised the post and unit in their work in welfare and youth programs.

Commander Alvin Carter, Past Commander Wilbur Mitchell and Ed Lee are now members of Voiture Locale 365, of La Societe des Quarante Hommes et Huit Chevaux, of Santa Clara county, better known as the 40 et 8. They were wrecked April at San Jose.

Adjutant Henry Hoelling announced that veterans out of work, and seeking temporary employment should contact Mr. Lunt at the County Hospital.

Mrs. Guy Smith, auxiliary president, in behalf of the unit, presented to Commander Carter a new gavel bell for the post, as a birthday present. The post will observe its third birthday at its second meeting in May.

Comrade Ed Lee announced that he had two new members for the Sons of Legion, neither of which were a week old. This makes a total of 38 boys enrolled.

Mrs. Rex Fuller reported that her husband, who has been ill for several months, had improved sufficiently to report back to work, but was not able yet to venture out at night.

The case of a deserving veteran and his ill wife was discussed and methods of helping the family suggested. The Legion members will attempt to secure medical help for the wife, invalided since the birth of a child, and to assist the veteran to find work.

College Play Opens Tonight

San Jose State College Department of Speech and Drama is readying their production of "The Assassin," which opens Thursday, May 1 through 5, with Hollywood costumes and foreign-made guns, Director J. Clancy reports.

The setting of the play is laid in Algiers and the action takes place just before the American invasion of North Africa in 1942.

Designer J. Wendell Johnson has designed the settings along impressionistic lines with realistic details, and the basic units are triangular shaped with all three presentable to the audience.

The play production classe under James Lioi are building three of these units which can be used to change scenes quickly by turning a different side of the triangle or prism toward the audience.

There are five scenes in the play. The first scene is a bar-room, headquarters of the underground; the second is the military headquarters of Admiral Darlan in Algiers. One of the most impressive settings is the prison with a high ramp above the cell on which a guard paces back and forth.

Designer Johnson explains his use of geometric forms of mass and color by saying that these forms create a mood and give the effect of the Algerian location.

The guns for the play are being borrowed from collectors, veterans mostly, who have brought them back from overseas service. "The guns will not be fired," said Director Clancy, "but merely carried by the actors who portray underground agents. And, with the owner's permission, the gun's pin will be removed as a safety measure."

GRAFTING DEMONSTRATION FRIDAY AT CUPERTINO

The Agricultural Extension Service's grafting demonstration, originally scheduled for today, has been postponed until tomorrow at 10 a.m. It will be held at the ranch of Frank Rodriguez, Rt. 1, box 354, Cupertino. This is 100 yards east from the intersection of Lawrence and Homestead Roads.

Grammar School PTA Meeting

The last Campbell Grammar school P.T.A. meeting of the year will be held May 6 at 2:30 p.m. in the auditorium of the school. The new president, Mrs. Thomas Crow, will preside.

The main topic will be "Understanding Develops Good Citizens in a Free World." The sub topic will be a talk on Community Recreation by Arthur Tindall.

The hostesses for this meeting are the first grade and kindergarten mothers.

CAMP FIRE GIRLS SURPRISE

The Odako Campfire Girls have been acting very mysterious about smudges of paint on their fingers. It has something to do with the gifts they are making for Mother's Day. The girls, under the leadership of Mrs. G. K. Schrader, meet on Mondays in the Camp Fire room and have been practicing songs for the Grand Ceremonial meeting to be held in San Jose May 25.

Airways Plans New Departures

More convenient departures from its Santa Clara Valley station at Moffett Field to Los Angeles are offered now by Southwest Airways, it was announced today by Joseph Amaral, local station manager.

Southbound departures are at 12:17 p.m. and 4:42 p.m. daily, Amaral announced. The later flight is a new night service just added by Southwest to its coastal route.

TEACHER RETURNS

Albert Smith, agricultural teacher at Campbell Union High school, returned to school Monday after a severe bout with the flu.

A marriage license has been issued to John Buttram, and Rada Lane, both of Campbell.

W.S.C.S. Convenes

Mrs. Guy Farley will preside at the business session of the general meeting of the Methodist Women's Society of Christian Service at the church Thursday, May 8, at 10:20 a.m. The topic for the day, "The Child and His Family," will be presented by Mrs. N. A. Cowdery. Devotions will be led by Mrs. Dean Chamberlin.

Reports from the district meeting of the WSCS held at Calvary Methodist church yesterday, will be heard.

A 12 noon luncheon will be served by the Mary Lewis Circle in charge of Mrs. Fred Fellman.

Girl Scout Training Course

An "on the site" training course for Girl Scout leaders will be held at the Boy Scout camp, Camp Stuart, in Saratoga on May 9 and 10. Adults interested in taking Girl Scouts on over-night hikes or troop camping are invited to attend. They may register at the Girl Scout office in San Jose located at 84 South First St., or may telephone Col. 8746.

Instructors in the course are Mrs. G. E. Peterson, Mrs. L. F. Mann and Mrs. W. R. Noble.

Grammar School Notes

Mr. Tindall organized an intramural baseball league two weeks ago. There were ten teams formed: Padres, Owls, Seals, Rainiers, Oaks, Senators, Beavers, Bees, Stars and Angels. The Padres won the league title with Jimmy Wagner their captain.

Last week the sixth grade baseball team played. The four sixth grade rooms participating in the league were Miss Naylor's, Mrs. Porter's, Mrs. Hillard's, and Miss Ryan's. The latter won.

Mr. Tindall's social studies class is making a poster, entitled "Understanding Other Peoples of Dif-

ferent Race and Breed." It is a very interesting subject for parents who are invited to visit during Public School Week.

—Albert Yamashita; HS-2.

Mrs. Singleton's first grade has made a toy farm in their sandbox. They have learned to know all the animals on the farm. Now they are able to write stories using the dictionary words on the wall. These children are working very hard so they will be good second graders.

—Anna Lee McGowan; HS-4

Mrs. Smith's 4th grade room is decorated quite attractively. The border design was made by eight groups which took a part of the border and called it a lot. On the lots they put a house with a fence around it and at the other end they arranged a few animals eating grass around the fence.

Mrs. Smith also mentioned that she had very good attendance the past week, which was very surprising because many of the children have been absent with colds.

Mrs. Smith has been very busy this week as she is organizing a program for Public School Week. All parents are invited to come. Many interesting numbers are on the program.

—John Perata; HS-4.

Mrs. Porter's sixth grade class has been studying about health during April. They have many beautiful posters up on the wall. The children drew Health and outdoor scenes for art Friday. Their border is about animals and outdoor life.

They have learned health poems

and made many scrap books on the subject. They are busy getting their room ready for Public School Week.

—James Urata; HS-4.

The eighth grade girls in Miss Wilkinson's class challenged Campbell eighth grade girls to an exciting baseball game. There were ten girls on each team and they played five innings. The score was 11 to 10 in favor of Campbell Union Grammar school. They are now starting ballroom dancing and will continue to do so every Friday.

The upper grades are looking forward to a track meet which will be held Friday. Everyone is invited to come. It will be held on the school grounds from 1 to 3:30.

—Betty Lou Peterson; HS-4.

The class president of Mr. Roll's class is Dick Lansdale. Weekly meetings are held by the class during English period on Mondays.

The class club is known as the "Activities Club." The students participate in special reports, student performances (musical), spelling bees and language games. Hobbies and trips are also shared.

Ocowasin Group's Financial Efforts

Almost every girl of the Ocowasin Campfire group has helped to shoulder the responsibility of money raising for their group.

The first project, which is still active, was dish washing. Their most recent job was accepted last Friday night when Mary Lou Cline, Glenelle Walton and Frances Hollingshead with the assistance of their leader, washed dishes at the Methodist church. The girls have usually been in groups of three

The social studies class is studying the period preceding the Spanish-American war. Special biographical reports on men and presidents of that period are being given by the class.

The May party is now being planned and committees appointed. The class has been working and testing its spelling skills on a Master Test for seventh grade level.

—Albert Uyeda.

or more when they have washed dishes at the Country Woman's club, Congregational church, Elementary school PTA and for private parties.

The next financial boost was the conclusion of a month's collection of rags. And now the girls are trying to earn a large sum to finance their over-night week-end trip by collecting salvagable fats to sell to the butcher shops.

Tractors and Bulls Cause Deaths

The farm tractor is involved in 50 per cent of the accident reports coming to the Agricultural Extension Service for the month of March. Older persons suffered in most of them.

These facts come from a report of R. R. Parks, specialist in agricultural engineering of the service.

Two-thirds of these accidents resulted in deaths from tractors turning on a ditch bank. The average age of those killed was 58. Starting tractors in gear often causes serious accidents, such as the case of a 50-year-old retired rancher who was killed while cranking a tractor that was left in reverse gear. He was caught underneath while trying to set the tractor out of gear.

Parks says most of these accidents could have been avoided. A three-wheel tractor is inclined to be unstable except on the level and should not be turned on ditch banks.

A "safe" bull did some killing in the accidents reported in March. A 50-year-old ranch hand tried driving a herd bull with a pitch fork. The bull won.

Dairymen may obtain plans for a "safe" bull pen from the College of Agriculture for the price of the print. You may see one of these plans at the Agricultural Extension Service, 201 Post Office Building, San Jose, as well as many other farm structures in the farm plan book.

Honored At Baby Shower

Mrs. Peter Spragia was hostess last week for a gay baby shower in honor of Mrs. Paul Borg. Games were enjoyed by the guests and refreshments were served on a beau-tifully decorated table. A large pink bootie filled with pastel shades of sweetpeas and ferns was used as a center piece. The bootie theme was carried out also in the nut dishes and the candles which were made to resemble baby shoes.

Present for the occasion were Mesdames Viola Wickersham, Lou-ella Wilson, Mary M. DeBello, Azalia Shaw, Mickey Rector, El-sie Knight, Frida Kersgard, Fran-ces Meckler, Inez Furtado, Ester Wilson, Eva Raffanti, Nellie Lamb, Barbara Gannon, Christy Lett, Viola Walden, Frances Adams, Mary Wilson and Miss Gloria Spragia.

STORK VISITS

Mr. and Mrs. Glenn M. Gates are welcoming a baby daughter, Rebecca Jane, who arrived April 16 at O'Connor Hospital.

Netops Has Special Ceremony

Under escort of sixteen members of the order, Great Pocahontas, Margaret Mooney, was officially introduced to Netops Council, De-gree of Pocahontas, Friday even-ing, April 25. Other great chiefs present were Great Wenonah Ha-zel Shireman; Great Minnehaha, Marie Freyer; Great Trustee, Mar-cella Rice; Great Keeper of Wam-pum, Johanna Reilly; Great First Runner, Ingrid Di Ramio; Great First Councilor, Mollie Steeves; Great Guard of Teepee, Marie Puts and the councils' zone chief, Stella Eli.

Various great chiefs of the Red-men's order and committee mem-bers were also present. Represent-atives of the following councils made themselves known: Min-equa, Zenetta, Tawanka, Ogaretta, Hassayampa, Seminole, Nawa-daha, Knockti, Chuma, Naomi, Wanda, An-de-ta-ah, Minnehaha and Ioaka.

The degree team exemplified the adoption ceremonies and seven new members were received into the council. The new sisters are Ella Whitaker, Jean Hall, Kay Lau Rac, Lorane McKenney, Russi-e Fulton, Frances Sinn and Elinor Dias.

Many great chiefs were called upon to address the lodge and they all agreed upon the excellent pro-gress of Netops council. Especially noted was the manner in which the Pocahontas, Irene Hodges, conducted the meeting.

Preceding the meeting a dinner was given at the Tennessee Inn, with Sister Mooney as guest of honor. Immediately following the meeting, refreshments were served by Bertha Hindle, Sharon Parker, Margaret Benton, Edith Yearwood, Elene Niles and Irene Hodges.

Guest Day Planned By Country Woman's Club

Guest Day will be held by the Country Woman's Club of Camp-bell on May 5.

Chairman for the day, Mrs. Roy Stoner, assisted by Mesdames E. L. Farnham, J. B. Collins, A. W. Johnson, J. R. Locke, A. C. Kees-ling, E. R. Kenedy, Roy Magnu-son, M. S. Walsh, Ruth Ortman, Leslie Titus, B. E. Minehart and Laurence Hill, have planned an interesting program.

Mrs. Norman Pratt of Los Gatos will present a review of the book, "Where the Sabina Sings" by Henrietta Chamberlain. Musical selections by the Campbell Union Grammar school trio under the di-rection of Richard Gordon and a group of songs by Mrs. Gregory Parker will conclude the program. Refreshments will be served.

Honolulu Visitors Enjoy Campbell

Interesting and interested Camp-bell visitors are Mr. and Mrs. Jo-seph Pereira of Honolulu, who are the house guests of Mrs. Sophie Miranda, Campbell Ave. Mr. Per-eira is a cousin of the late Mr. John Miranda.

This is Mrs. Pereira's first visit to the mainland and she is enjoy-ing it immensely. Her husband vis-ited Campbell 25 years ago but had not been back since. He reports Campbell as being greatly improv-ed and is impressed especially, he says, with the new High School and the Campbell Press.

Before returning to the Islands on June 27, the Pereiras will visit relatives in Seattle, Wash.

Honeymoon In Canada

Now on an extended wedding trip in Canada are Mr. and Mrs. Louie C. Sciortino who were mar-ried Sunday afternoon at the Holy Family Church in San Jose. The bride is the former Nancy Vitale, daughter of Mr. and Mrs. Hugh Vitale, Union Ave. She attended Campbell Union High School.

The bridegroom is the son of Mr. and Mrs. R. Sciortino of San Jose and attended schools in that city.

On their return from their hon-eymoon they will make their home in Campbell.

At the all-white wedding the bride, gowned in traditional white satin and carrying white lilies and orchids, was given in marriage by her father.

Miss Emily Shaddox was the maid of honor and carried pink tulips and white lilies. Bridesmaids were Miss Mary Moriera and the bride's sister, Miss Fanny Vitale. They carried pink tulips and all three attendants were attired in white.

Steve Ban served as best man and ushers were Ray Costello and Jack Vitale.

Following the ceremony a recep-tion was held at Tracy Gardens.

Wedding Plans Are Revealed

Late September has been set as the wedding date for Miss Ada Gardner and John F. McEwan. An-nouncement of the engagement was made recently by the bride-elect's parents, Mr. and Mrs. Lloyd Gardner of Leigh Ave.

Miss Gardner has been associ-ated with San Jose College since 1933 and is a graduate of the school. She is a member of Sigma Tau Delta, San Jose Woman's Club and San Jose Soroptimist club.

The future bridegroom, a resi-dent of Oakland, is the son of Frank McEwen of Sacramento and Mrs. William Cassidy of Oakland. He attended schools in Alameda and is now a factory representa-tive of an Eastern business firm.

After their wedding in the fall, the young couple will make their home temporarily in Oregon.

FELLOWSHIP GROUP MEETS

Last Sunday evening the college fellowship of the Congregational church met at the home of Mar-garet Goodell. Discussion leader was Donna Pannekoek. Next Sun-day this group will meet at 7 p. m. at the home of Joyce Berg-lund, when Bill Smith will be the discussion leader.

Howard Payne, and Miss Esther Fuller, the weekly high school guest.

D. H. Cramer acted aschairman and the entertainment consisted of music by the High School orches-tra, a violin solo by Frank Triena, a piano solo by Jeannette Gomes and a flute solo by Katherine Fuller.

Next week, under the chairman-ship of the Rev. Lawrence Osborne, Robert Werfur will speak on Czechoslovakia.

Monthly board of directors meet-ing will be held Wednesday, May 7, at the home of Budd Levenberg.

Class To Hold Texas Day

Next Sunday will be Texas Day in Col. McBride's adult Sunday school class at the Methodist church. Those from Texas will be honored guests. A short talk will be given on Texas history. State days will be continued through May. It is interesting to see old friends meet from the different states.

This class had a pot-luck dinner at the church last Thursday even-ing. Members having birthdays during March, April and May were honored. They were Mrs. A. L. Beck, Mrs. P. L. Bower, Mrs. Nel-son Cowdery, Mrs. B. C. Fair, Mrs. T. A. Lawrence, Mrs. Mary Pal-mer, Mrs. Henri Quetin, A. L. Beck, R. Lewis Brown and Rev. Lawrence J. Osborne.

Brief talks were given by Rev. Osborne and Col. McBride. R. Lewis Brown, class president, con-ducted the meeting, and the even-ing was devoted to the packing of boxes of clothing and food for European relief.

Love For Jesus

There are three verses in the gospel of John which teach us who it is that loves Jesus and the blessings to those who do. The first is in chapter 14, verse 21, where we read: "He that hath my commandments, and keepeth them, he it is that loveth me; and he that loveth me shall be loved of my Father, and I will love him, and will manifest myself unto him."

The next verse is verse 23 where we read: "Jesus answered and said unto him, If a man love me, he will keep my words: and my father will love him, and we will come unto him, and make our abode with him." The third verse is in chapter 15, verse 10, and we read: "If ye keep my commandments, ye shall abide in my love; even as I have kept my Father's commandments, and abide in His love."

From these three verses I list several points: 1. He who loves Jesus is the one who has his commandments and keeps them. 2. He who loves Jesus shall be loved of the Father. 3. He who loves Jesus will be loved by Jesus, and Jesus will manifest himself to him. 4. He who loves Jesus will have both Jesus and the Father abiding with him. 5. He who loves Jesus by keeping his commandments will abide in the love of Christ just as Jesus by obedience abode in God's love.

Here is the lesson for us in all this: What Jesus commands is found in the New Testament. So why not do what it teaches in order to have the great love of both God and Christ and to be in the most privileged company of both of them?

Anderson To Speak On Radio

Congressman Jack Z. Anderson, representative for this district, will broadcast a "Report from Washington" Saturday, May 3, to discuss the highly controversial Hartley Labor Bill passed by the House and now before the Senate.

The House of Representatives' bill, which Anderson approved by a "do pass" vote, would prohibit industry-wide bargaining except in small plants, outlaw the old-style closed shop, permit maintenance of union membership, prohibit strikes to attain either the union shop or maintenance of membership, permit the government to block strikes, make unions subject to Federal court suits and enforce other union restrictions.

Anderson will speak over KQW at 8:45 p.m.; KLOK at 6, KHUB at 5:30 and KVSM at 6 p.m.

RESOLUTION OF INTENTION TO SELL PERSONAL PROPERTY NOT NEEDED FOR SCHOOL PURPOSES, AND FIXING THE TIME AND PLACE AND TERMS OF SALE THEREOF.

IT IS HEREBY RESOLVED, ORDERED AND DECLARED by the Board of Trustees of the Cambrian School District of Santa Clara County, State of California, that whereas the Cambrian School District of Santa Clara County, State of California, is the owner of a one and one-half story frame house containing six rooms together with the one-car garage belonging thereto, which said personal property is situated upon the real property owned by said District, lying north of and adjacent to the Cambrian School situated at the intersection of the San Jose-Los Gatos Road and Casey Road, in Santa Clara County, State of California; and this Board having determined that said house and garage are not needed for school classroom purpose at the present time, or at all, and that it will be for the best interest of said Cambrian School District of Santa Clara County to sell said personal property;

NOW THEREFORE, IT IS HEREBY RESOLVED that the Board of Trustees of said Cambrian School District of Santa Clara County does hereby declare its intention to offer for sale and sell said above described personal property;

IT IS FURTHER ORDERED AND RESOLVED that said personal property shall be sold subject to the terms and conditions hereinafter specified, to-wit:

(1) This Board reserves the right to reject any and all bids.
(2) All bids must be accompanied by a certified or cashier's check, or cash, in the sum of ten per cent (10%) of the amount bid, which amount shall be forfeited if the successful bidder fails to advance the balance of the purchase price at the time designated by this Board.

(3) The balance of the purchase price to be paid by the purchaser to the District in full upon the execution of a Bill of Sale to the purchaser whose bid for said personal property is accepted.

(4) The successful bidder must, at his own expense, remove and personal property from its present location and from the real property owned by said Cambrian School District of Santa Clara County on or before sixty (60) days from and after the execution of the Bill of Sale hereinafter described. Every bid, written or oral, must expressly contain the acceptance by the bidder of the foregoing condition.

(5) An oral bid must exceed the highest written proposal by at least five per cent (5%).
This Board hereby fixes the 22nd day of May, 1947, at the hour of

8 o'clock P.M. of said day, and the regular meeting place of said Board at Cambrian School, situated at the intersection of the Los Gatos and San Jose Road and Casey Road, in the County of Santa Clara, State of California, as the time and place at which sealed proposals for the purchase of said above described personal property will be received by this Board at a public meeting thereof, and at which time and place oral bids for the purchase of said personal property may also be made in accordance with law, all of which bids will then be considered by this Board.

IT IS FURTHER ORDERED AND RESOLVED that this Resolution and Notice of the time and place for the receipt of sealed proposals and bids for said personal property above described shall be given by publishing the same for not less than once a week for three (3) successive weeks in The Campbell Press, a newspaper of general circulation in said County of Santa Clara, being the county in which said District is situated.

Address for above: Cambrian School, Rt. 1, box 133, Campbell, California.

PASSED AND ADOPTED by the Board of Trustees of the Cambrian School District of Santa Clara County this 18th day of April, 1947, by the following vote:
AYES: Trustees Frank L. Steindorf, W. Charles Sartorette, Earl F. Gripenstraw.
NOES: Trustees, none.
ABSENT: Trustees, none.

Auxiliary Meets With Legion

At the joint meeting of the American Legion post and Auxiliary on April 23 plans for the Legion card party were discussed. The party will be held May 3 in the High School gym.

Mr. Gladys Weeks, unit chairman of the child welfare committee, presented Miss Muriel Wright of the Santa Clara County detention home who spoke of plans for the rehabilitation of displaced and delinquent children.

Members of the group voted \$30 toward the hospital service project at Palo Alto, and Mrs. Clarence Fagalde, chairman of the committee, announced that June 26 has been set as date for the first party of a series being planned for the mental patients in the hospital. On that date several members of the unit will entertain 80 men from the "closed ward" at an outdoor barbecue on the hospital lawn.

On the committee making arrangements for the Auxiliary's annual Mother's Day tea to be held May 10 at the Women's Club are Mrs. Guy Smith, refreshments; Mrs. Rex Fuller, entertainment; and Mrs. Harold Peck, decorations. Flowers for the tea will be furnished by the Campbell Garden club.

Final plans for organizing volunteer workers for Poppy Day were discussed.

Officials To Study Fire Prevention

Fifteen hundred public officials and representatives of a large number of important business, civic, women's and farm organizations will meet in Washington, D. C. on May 6, 7 and 8, to attend a national conference on fire prevention called by President Truman to develop a practical program for a country-wide drive against the fire menace.

Under the chairmanship of Major General Philip B. Fleming, Federal Works Administrator, the conference will bring together responsible federal, state and municipal authorities and experts in all phases of fire prevention and protection. President Truman will address the opening session Tuesday morning, May 6.

Six committees have been making preliminary studies of the underlying causes for the present excessive loss of life and property by fire and of ways and means for reducing them. Their findings will form the basis for recommendations of the conference.

GERMAIN'S

Campbell Court Notes

By Judge Blaine

This is the story of an explosion. A man had received a traffic citation instructing him to appear in Campbell Court on May 6 at 11 a.m. He called at the judge's residence on April 22 at 8:30 a.m., or 13 days before the right date and 30 minutes before the beginning of office hours.

Instead of being apologetic for causing inconvenience this man indulged a sour mouth and self-pity, complained he'd been arrested for not coming to a full stop when no other car was within a quarter of a mile, and objected that the officer had been illegally in hiding.

Now, it is believed, in law-enforcement circles that a chief reason for traffic violations is lack of consideration for others. When lack of consideration is carried right up to the judge and put into a violator's every act and word, patience seems no longer a virtue.

True, the Campbell judge has been accused of being patient to a fault, and perhaps justly. But equally true it is that an old proverb warns us to beware the anger of a patient man—he may go to the opposite extreme and become enraged to a fault, the which happened in this incident.

While the violator was admitting his technical guilt on one hand and sourly delaying his plea on the other the judge became a comic. The scene that followed was neither pleasant nor dignified. Best to be said for it, perhaps, is that it was just sort of unforgettable—erud meant to be.

The violator suddenly became quiet, reserved, haughty, a study in injured pride — injured pride having been a prominent ingredient in his attitude throughout and an element in his present lack of consideration. He paid his fine, folded the receipt and stiffly asked, "Is that all?"

It was all, perhaps too much, and a similar incident had happened in Campbell Court more than once before and might under like circumstances happen again. Exploded patience is bad medicine.

Veterans' News

Marriage failures, job difficulties, high prices and inexperience in business are the chief reasons why a small but growing number of Northern California veterans are defaulting on their GI loans, according to VA loan officials in San Francisco.

Only 127 veterans, around four-tenths of one percent of those who have obtained GI loans in the Northern California area since the GI Bill became effective nearly two years ago, were listed as "default

cases" in VA files at the end of February. However, by April 11 the number had jumped to 198, the sharpest increase thus far.

VA investigators who try to save veterans from final defaults on their loans, say that marital difficulties, many of them arising from hasty war-time marriages, are responsible for some of the failures to maintain GI home loans. When a family is broken up there is usually no further need for the home the veteran is buying.

Loss of the home-buyer's income through unemployment also contributes to home loan defaults, VA says, but some of these situations are saved by delaying foreclos-

ure until the veteran has found another job.

Lack of experience and zooming market prices have proved the veteran's chief handicaps in business. Some veterans begin business ventures on GI loans without enough experience in the business field they enter or without adequate knowledge of market conditions and fundamental business procedures.

"Experience above all, and a lot of hard thinking and planning are usually required if a new business is to succeed," VA tells veterans who seek advice on GI business loans.

Question: Does my right to obtain a GI loan continue indefi-

nately?

Answer: No, but you have until ten years after the official termination of World War II.

Question: I need repairs on my artificial leg that will cost more than the \$35 allowed on my prosthetic service card. Will VA pay the extra expense?

Answer: You should ask VA to approve the repairs. If the repairs are approved, VA will pay the full bill even if it is more than \$35.

Question: I am an American Indian and a World War II veteran. Am I eligible for a GI loan?

Answer: Yes, but it must be on property you own or plan to own outside the reservation. You cannot secure a GI loan to build a home on tribal land.

Resuscitator To Be Demonstrated

Campbell firemen will witness a demonstration of an inhalator and resuscitator at their monthly meeting Monday, May 5, at the fire house at 7:30. Chief Jack Scott says that all who are interested in watching are invited to attend. The demonstration will be given by an employee of the E and J Resuscitator Co. and has no connection with the intended purchase by the Kiwanis club. Chief Scott says it is a routine demonstration given by the manufacturers to fire

departments who do not possess this equipment.

TEACHERS RETIRE AND RESIGN

Many Campbell residents who learned their "three R's" from Mrs. Mabel Davidson will be sorry to learn that she is retiring from teaching after 23 years. She has been teaching the fourth grade at Campbell Grammar school. Four other local grammar school

teachers are resigning, according to William Henley, principal. They are Mrs. Phyllis Wilson, Miss Grace Hassler, Miss Roberta Schneider and Miss Marjorie Carlstrom.
